

How to log onto Google Classroom

1. Log onto your child's Google Account. (see student account form- Students should NOT select the reset password. If you can't log in, please contact your child's teacher)

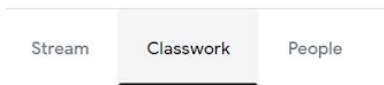

2. Click on the checkerboard on the top right corner.

3. Select the Classroom icon

4. You will see all the classes that your child must visit daily.
5. When you select a classroom, go to the Classwork tab to view the assignments listed according to subject/day.

6. To Navigate between classes, use the 3 lines on the top left corner

7. Select the Classes section to view each class.
